Title: Strange Weapon

Author: Wallace the Prophet

Recently news has  
reached me that caused  
me some great concern.  
The creature known as an  
Orc Scout is using a  
strange but powerful bow  
called an Orc Bow I would  
like you to bring me one  
for study to find if I  
can devise some sort  
defense against its  
powers to do terrible  
damage against our  
soldiers.

I will reward you for  
your valor with a token  
of my appreciation.  
The quest will last one  
week and at 8pm  
eastern time we will give  
out prizes to the winners  
and you will receive your  
justly earned reward.
